For the purposes of this Agreement "You" is defined as you personally and any entity you work for or will use the software for the benefit of, including any organization that Supplier has supplied the Software to, and "Your" has a corresponding meaning.
2. **Use of Software.** You may install, use, access, display, run, or otherwise interact with ("Run") one copy of the Software server components on a single computer or workstation, and You may Run the Software client components on a network. Notwithstanding the grant of License to You, if the Software has been supplied to You for evaluation purposes then Your use of the Software is limited to demonstration, test and evaluation purposes only and You may not use the Software for commercial gain.
3. **Ownership of the Software/Restricted Use.** Supplier and/or its suppliers or licensors own all title, ownership and proprietary rights, including all copyrights, patents, trademarks, trade secret rights, domain name and moral rights (registered, unregistered, registrable or unregistrable), in and to the Software and all copies and enhancement or improvements thereof, all of which contain valuable trade secrets of Supplier and/or its suppliers or licensors. This License is NOT a sale of the Software or any copy of it, nor a waiver of the rights of Supplier under the laws of the United States of America, Australia or any other jurisdiction dealing with copyright or intellectual property or giving other rights to the

Supplier. This License does not include the right to sublicense the Software and is specific to You, and therefore may not be assigned (by operation of law or otherwise) or otherwise transferred by You without the prior written consent of Supplier. Without limiting the foregoing, You may not sell, market, license, sublicense, lend, mortgage, charge, loan, distribute, rent, lease, upload, post, electronically transfer or otherwise assign or transfer or directly or indirectly permit any third party to use or copy the Software.

4. **Modification and Engineering.** You acknowledge that the Software in source code form remains a confidential trade secret of Supplier and/or its suppliers or licensors, and You agree not to reverse engineer, decipher, decompile, adapt, modify, disassemble, incorporate the Software in whole or in part in any other software or product, or develop derivative works of the Software or allow others to do so, or to attempt to do any of the foregoing, without the express prior written consent of Supplier or as authorized by law. You may not alter or modify any disabling mechanism which may be resident in the Software. You may not remove any logo, symbols, copyright, trademark, proprietary rights, disclaimer or warning notices included in or embedded in any part of the Software or in any copy You make of the Software.
5. **Restriction on Copying.** You may not copy the Software or permit others to copy the Software, except that You may make one copy for backup and archival purposes. Any such copy made by You shall be subject to this Agreement and shall contain all of Supplier's notices regarding copyrights, trademarks and other proprietary rights as contained in the Software originally provided to You.
6. **License Fees.** You agree that You will at all times pay all license fees and charges payable to Supplier for the License as agreed to in writing between You and Supplier within thirty days of receipt of invoice from Supplier. You will also be responsible for the payment of all ongoing fees and charges as agreed to in writing between You and Supplier, including any periodic fees or subscriptions. You will also pay all taxes related to goods and services provided to You.
7. **Benchmark Testing.** You may not disclose the results of any benchmark testing of the Software to any third party without prior written approval from Supplier.
8. **Security:** You are responsible for providing and assigning to authorized users usernames and passwords used to access the Software and for the confidentiality and use of all usernames and passwords. You are responsible for ensuring that security measures are in place to prevent any unauthorised access to or use of the Software by any person. However, Supplier reserves the right to access any computer or server used to host the Software without notice to You in order to apply urgent updates, hotfixes, patches or perform any changes to the Software to prevent damage reasonably anticipated as likely to be caused if such patch is not immediately applied.
9. **Ownership of Accessed Content.** All title, ownership rights, and proprietary rights in and to the information and other content accessed, indexed and/or downloaded from the Internet and World Wide Web ("Web") sites by operation of the Software (collectively, "Content") is the property of the applicable Content owner, including, without limitation,

10. **Consent to Use Data.** Supplier may use any technical information provided to Supplier by You in connection with any Software configuration, support and maintenance services provided by Supplier, including for product development and support.
11. **Maintenance.** Unless agreed to in writing by Supplier, the Software is under Maintenance for a period of one year from the date of sale of the Software. The Software will also be under Maintenance for any subsequent period of time for which such Maintenance has been purchased from Supplier by You. Maintenance entitles You to receive any new Software updates released within the Maintenance period. You are also entitled to submit support issues to Supplier under the terms of the then prevailing support policy, although Supplier has no obligation to respond or act upon any submitted issue. You must comply with Supplier's then prevailing product registration policies in order to qualify for support and updates.
12. **No Warranties.** –
 - (a) You are responsible for the use, supervision, management and control of the use of the Software and any output of the Software, including but not limited to properly installing the Software on Your computer system, determining the appropriate uses of the Software, and establishing adequate backup systems to prevent any adverse consequences in the event of a software malfunction.
 - (b) You warrant and acknowledge that you have relied on your own skill and experience and judgment in deciding to license the Software and to verify that the Software meets your requirements.
 - (c) To the maximum extent permitted by law the entire risk as to the quality and performance of the Software and any related products and services (including any support service provided by Supplier, its officers, employees, shareholders, agents, suppliers, distributors and affiliates) and any content provided thereby remains with You and, should any of the foregoing prove defective or harmful, You assume the entire risk and cost of servicing, repair or correction.
 - (d) No oral or written information or advice given by Supplier or any of Supplier's officers, employees, shareholders, agents, suppliers, distributors or affiliates shall create a warranty from Supplier.
13. **Limitations on Liability.** To the maximum extent permitted by law Supplier, its employees, affiliates, licensors, agents, suppliers, distributors and content providers disclaim all liability whatsoever for, and under no circumstances shall be liable to You or any other person or entity for Claims arising out of or relating to:
 - (a) the use, inability to use, performance or non-performance of the Software and/or related products and services, including, without limitation, the retrieval and downloading of

content or other information by the Software or any decision made or action taken by You or any other entity in reliance thereon;

- (b) any support service provided by Supplier; or
- (c) the negligence or acts or omissions of Supplier, its officers, employees, shareholders, agents, suppliers, distributors and affiliates,

whether or not foreseeable and even if Supplier is advised of the possibility of such damages. In any case, Supplier's entire liability under this Agreement shall be limited, at Supplier's option, to resupplying the Software or refunding the license fee paid for the Software. "Claims" shall mean actual or alleged claims, expenses, losses or damages of any kind or character (including without limitation special, indirect, punitive or consequential damages), whether in contract, tort or otherwise, including but not limited to, personal or property or reputational injury, loss of goodwill, computer failure or malfunction, loss of data, loss of profit, loss of use, stoppage or interruption of business, breach of any trademarks, trade names, trade secrets, copyrights or other proprietary rights of any third parties, or any other commercial damages or losses of any kind.

14. **Indemnity.** You agree to indemnify, defend and hold Supplier and its officers, employees, shareholders, agents, suppliers, distributors and affiliates harmless from and against any and all third party damages, claims, losses or expenses of any kind (along with legal fees and litigation costs) arising directly or indirectly out of, resulting from, or in connection with Your breach of this Agreement or Your use or misuse or non-use of the Software, including but not limited to, claims for personal injury or property or reputational damage.

16. **Effect of State Law.** SOME STATES OR JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. YOU MAY HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE OR BY JURISDICTION. In particular, Supplier does not exclude or limit the application of the Trade Practices Act 1974 (Cth) where to do so would contravene that statute or cause any part of this Agreement to be void.
17. **Export.** You may not download or otherwise export or re-export the Software or any underlying information or technology except with the written permission of Supplier and in full compliance with all Australian, United States of America and/or other foreign laws and all other applicable laws and regulations.
18. **Term and Termination of License.** This Agreement and the License granted in it shall continue until Supplier announces its termination, at its discretion, and Supplier may also terminate the License granted at any time if You are in breach of any of the terms and

conditions of this Agreement or in the event of a claim of intellectual property infringement by third parties relating to use by You of the Software. Upon any termination, or if You should give up Your personal use and control of the computers on which the Software is installed, You agree to destroy all copies of the Software and any related materials in any form.

19. **General.** YOU ACKNOWLEDGE THAT YOU HAVE READ THIS LICENSE AGREEMENT, UNDERSTAND IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS. YOU FURTHER AGREE THAT THIS LICENSE AGREEMENT IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN YOU AND SUPPLIER AND SUPERSEDES ANY PROPOSAL, OR PRIOR AGREEMENT (UNLESS THIS CLAUSE IS SPECIFICALLY EXCLUDED IN THAT PRIOR AGREEMENT), ORAL OR WRITTEN, AND ANY OTHER COMMUNICATIONS BETWEEN YOU AND SUPPLIER OR ITS AFFILIATES RELATING TO THE SUBJECT MATTER OF THIS LICENSE AGREEMENT. If any provision of this Agreement is held to be unenforceable in any jurisdiction for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and such decision shall not affect the enforceability (a) of such provision under other circumstances or jurisdictions, or (b) of the remaining provisions hereof under all circumstances or jurisdictions. This Agreement shall not be modified, amended or in any way altered except by an instrument in writing signed by all parties to this Agreement. Any failure by Supplier to strictly enforce any provision of this Agreement will not operate as a waiver of that provision or any subsequent breach of that provision. Headings shall not be considered in interpreting this Agreement. This Agreement may be assigned or transferred by Supplier. This Agreement will be governed by the laws of Australia and the laws of the State of Western Australia, without regard to conflicts of laws principles, and any action or proceeding brought by either party hereto shall be brought only in a state or federal court of competent jurisdiction located in Western Australia and the parties submit to the jurisdiction of such courts for the purposes of any action or proceeding. This Agreement will not be governed by the United Nations Convention of Contracts for the International Sale of Goods, the application of which is hereby expressly excluded.
